## VISION

Hedayah's vision is to be the premier international center for expertise and experience to counter violent extremism by promoting understanding and sharing of good practice to effectively serve as the true global center to counter violent extremism.

## ABOUT HEDAYAH

Hedayah was established in response to growing agreement in the international community on the need to:

- Prevent individuals from starting down the path of radicalization; and
- Divert those already on that path before they are fully committed and mobilized.

Hedayah is the first international organization dedicated specifically to addressing these challenges. Hedayah strives to be the global hub for sharing and building good practice for countering violent extremism through innovative research, dialogue, training and capacity building activity.
