

# TOWARDS A CULTURE OF PEACE

CENTER FOR TRAINING & CONSULTANCY (CTC) - GEORGIA

GEORGIA

12 MONTHS

## OVERALL OBJECTIVE

To enhance the capacities of the school environment to prevent and counter violent radicalization and extremism in Georgia

## DIRECT BENEFICIARIES

**16** CIVIC EDUCATION TEACHERS  
(16 SCHOOLS)

**1,250** PUPILS (15-18 YRS OLD) FROM  
TARGETED SCHOOLS/REGIONS

**160** PUPIL'S FAMILY MEMBERS

**880** SCHOOL ADMINISTRATIVE PERSONNEL  
AND OTHER TEACHERS

## OUTCOMES

- 1 The quality of teaching civic education in schools is improved, tailored to the Georgian context and the pupils' needs.
- 2 The school environment is enabled to detect early signs of radicalization among pupils.
- 3 Valuable life skills among pupils are developed through youth-led community initiatives and an example for civic youth participation and against radicalization in the schools environment is set.
- 4 Members of the school environment have an increased positive attitude towards the subject of civic education and support its role in preventing radicalization.

## ACTIVITIES
